

## It's So Simple

Saoin

I never thought you would lose yourself  
The hardest part was falling down again  
(And getting up again)  
I'm a fool to watch you walk away  
Are you bothered by the choice you made?

When we fall to the ground  
Slowly we're safe and sound

It's so simple to be afraid  
It's so simple when you know who you are  
It's so simple to be afraid  
It's so simple when you know who you are

I caught you lying to yourself  
Now everything is spinning 'round and around  
(Then standing still again)  
Well I'm a fool to watch but never say  
Are you bothered by the choice you made?

When we fall to the ground  
Slowly we're safe and sound

It's so simple to be afraid  
It's so simple when you know who you are  
It's so simple to be afraid  
It's so simple when you know who you are

But maybe we were wrong..  
When will you know  
That you can feel belonged  
I think you fell in deeper than you imagined

It's so simple to be afraid  
(It's so simple)  
It's so simple when you know who you are

It's so simple to be afraid  
(It's so simple)  
It's so simple when you know who you are
