Sara Bareilles

Steppin' out, done playin' it small
Takin' over, yeah, wall to wall
Goin' up like a cannon ball
It's B.P.E. y'all!

Got that big pussy energy
Yeah yeah yeah

Kick down the doors no locks
I don't need a key
Eyes down here, yeah, I'm the centerpiece
Animal queendom feline synergy
Kickin' down the doors, big pussy energy!

I don't care if ya like me
Swagger that says you just met somebody
Confidence boosted from vitamin P
Kickin' down the doors
Big pussy energy

Square feet I'm going for miles
Upgrade, taking up the aisles
Open up those classified files
From the Department of Treasury
Big pussy energy!
