

Summer Brings The Fall

Sara Bareilles

Thought we were 4-ev
Thought you were 4-kev
You were like "whatev"
Now I pray to heav'
For strength

'Cause summer brings the fall
Summer brings the fall

When you said love
Did you mean cheat on?
When you said forever
Did you mean until yesterday?

I thought I was your male
'Cause you're my holy grail
But you had to bail, babe
What an epic fail, babe

'Cause summer brings the fall
Summer brings the fall
