

## Tap Into Your (Fort) Worth

Sara Bareilles

Got my best boots on, smile on my face  
Can't believe we're from this place  
Thirteenth biggest in the States  
Can a town be your soulmate?  
East Exchange Avenue  
Steers in my rear-view  
Gonna hit what USA Today calls  
The second-best zoo

'Cause Cowtown is a wow-town  
With a walkable downtown  
It's time to tap into your Fort Worth  
Worth! Worth! Worth!

It's got no hipsters, like Austin  
Or Wahlbergs, like Boston  
Or tech bros, like Austin  
Or Afflecks, like Boston  
Now, some say Omaha Zoo is second best, but that's a lie  
Because their red panda is always inside  
It's never out on the tree, yeah, yeah  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah  
And the Trinity River's getting better  
Parts are even swimmable  
It's no longer called the mythological river of death  
'Cause when the West begins, it's where your best begins  
It's time to tap into your Fort Worth  
Time to tap into your Fort Worth  
The home of Hagman and Meester  
Capshaw and Schieffer  
Tap into your Fort Worth  
One look and you'll love it too  
No wonder Jesus went to TCU  
It was early decision  
See, I know, I'm worth it  
Y'all know, you're worth it  
The Fort Worth Star-Telegram knows they're worth it  
That's why their site has a paywall

'Cause Cowtown is a wow town  
With a walkable downtown  
It's time to tap into your Fort Worth  
The home of Hagman and Meester  
Capshaw and Schieffer  
Of museums and parks and  
Also Kelly Clarkson (Also Kelly Clarkson)  
Tap into your Fort Worth  
Worth, worth, worth (Yeeshaw)
