

# As

Sara Evans

As around the sun the earth knows she's revolving  
And the rosebuds know to bloom in early May  
Just as hate knows love's the cure  
You can rest your mind assured  
That I'll be loving you always

As now can't reveal the mystery of tomorrow  
But in passing will grow older every day  
Just as all that's born is new  
You know what I say is true  
That I'll be loving you always

Until the day is night and night becomes the day (always)  
Until the trees and seas just up and fly away (always)  
Until the day that 8 times 8 times 8 is 4 (always)  
Until the day that is the day that are no more

Did you know that true love asks for nothing  
Her acceptance is the way we pay  
Did you know that life has given love a guarantee  
To last me forever and another day

Just as time knew to move on since the beginning  
And the seasons know exactly when to change  
Just as kindness knows no shame  
Know through all your joy and pain  
That I'll be loving you always

As today I know I'm living but tomorrow  
Could make me the past but that I mustn't fear  
For I know deep in my mind  
The love with me I left behind  
'Cause I'll be loving you always

Until the day is night and night becomes the day (always)  
Until the trees and seas just up and fly away (always)  
Until the day that 8 times 8 times 8 is 4 (always)  
Until the day that is the day that are no more

Did you know you're love by somebody  
Until the day is night and night becomes the day (always)  
Until the trees and seas just up and fly away (I'll be loving you forever)  
Until the day that 8 times 8 times 8 is 4 (always)  
Until the day that is the day that are no more (Alway-  
Always)

We all know sometimes there will be trouble  
Can make you wish you were born in another time and space  
But you can bet your lifetimes that it will be double  
That God knew exactly where he wanted you to be placed

Always  
Always  
Always  
Always
