

Momma's Night Out

Sara Evans

Well' you never buy me flowers
Hey, did you hear what I said
I'll be dancing barefoot while you put the kids to bed

Take a good look darlin
At the smile on my face
It's been a long hard week and I'm ready to play

Now take a big whiff honey
Of my sweet perfume
Well, it's the only thing left of me left in this room

Cause' I'm alright now
Got a little money
And the gas tanks full
Yeah, I'm alright now
Me and the girls in the Coupe DeVille
Yeah, I'm alright
Daddy's doin dishes
Cause it's momma'a night out

Well you can be a couch potatoe
Drink your beer and eat some chips
While I put a little Wet-N-Wild on my lips
So take a picture of me honey
Cause I look so fine
You got yours and I got mine

Cause' I'm alright now
Got a little money
And the gas tanks full
Yeah, I'm alright now
Me and the girls in the Coupe DeVille
Yeah, I'm alright
Daddy's doin dishes
Cause it's momma'a night out

(solo)

Cause' I'm alright now
Got a little money
And the gas tanks full
Yeah, I'm alright now
Me and the girls in the Coupe DeVille
Yeah, I'm alright
Daddy's doin dishes
Cause it's momma'a night out
