

You love is bright as ever  
Even in the shadows  
Baby, kiss me  
Before they turn the lights out  
Your heart is glowing  
And I'm crashing into you  
Baby, kiss me  
Before they turn the lights out  
Before they turn the lights out  
Baby, love me lights out

In the darkest night I'll (in the darkest night I'll)  
I'll search through the crowd (I'll search through the crowd)  
Your face is all that I see  
I'll give you everything  
Baby, love me lights out  
Baby, love me lights out  
You can turn my lights out

We don't have forever  
Baby, daylight's wasting  
You better kiss me  
Before our time is run out  
Nobody sees what we see  
They're just hopelessly gazing  
Oh, baby, take me, take me  
Before they turn the lights out  
Before time is run out  
Baby, love me lights out

In the darkest night I'll (in the darkest night I'll)  
I'll search through the crowd (I'll search through the crowd)  
Your face is all that I see  
I'll give you everything  
Baby, love me lights out  
Baby, love me lights out  
You can turn my lights out

I love is like XO  
You love me like XO  
You kill me boy XO  
I love is like  
Your love is all that I see  
Give me everything  
Baby, love me lights out  
Baby, love me lights out  
You can turn my lights out
