

Riot

Sara Haze

I'd be ridin' in a cab goin' downtown
Findin' faces I know in a big crowd
Tryin' to drink the pain away
And I'd be stayin' out all night, never goin' home
Boy you know I'd lose all control
If I lost you

There would be a riot
Breakin' up my heart, I'd try to fight it
I could go out every night but I'd be lyin'
If I said I could live and breathe without you
There'd be a lot of lonely
Wishin' and prayin' that you would hold me
I would do most anything baby if only
You would come back to me, come back to me
There would be a riot
There would be a riot

I'd be checkin' on my phone every minute
Waitin' 'round for it to start ringin'
And prayin' it would be you
I don't know what I'd do

There would be a riot
Breakin' up my heart, I'd try to fight it
I could go out every night but I'd be lyin'
If I said I could live and breathe without you
There'd be a lot of lonely
Wishin' and prayin' that you would hold me
I would do most anything baby if only
You would come back to me, come back to me
There would be a riot
If I ever lost you
If I ever lost you

There would be a riot
Breakin' up my heart, I'd try to fight it
I could go out every night but I'd be lyin'
I could live and breathe without you
There'd be a lot of lonely
Wishin' and prayin' that you would hold me
I would do most anything baby if only
You would come back to me
There would be a riot
There would be a riot
