

Hula Hoop

Sara James

Hula-hula-hula-hula hoop (Hula-hula-hula)
Hula-hula-hula-hula hoop (Hula-hula-hula)
Hula-hula-hula-hula hoop (Hula-hula-hula)
Hula-hula-hula-hula hoop (Hula-hula-hula)

Go-go to your friends that I'm like that
Keep on looking at me like I am the problem
If you want me but you couldn't impress them
Spinnin' like a hula, hula, hula hoop
Hey, wait a second
You're obviously a villain not a Batman
I'm just tryna live my life and make a bang-bang
Top floor, flight abroad, are you jealous?
Spinnin' like a hula, hula, hula hoop
Hey, wait a second

Maybe for a minute got me thinking I should buy you back
But when I get with it realized that I'm above them, above them

Miss me with the lies, better vibes, 'cause tonight
We gon' celebrate ya
I miss everyday ya
Miss me with the lies, better vibes, 'cause tonight
We gon' celebrate ya
I miss everyday ya

Why-why you spinnin' like a...
Hula-hula-hula-hula hoop (Hula-hula-hula)
Hula-hula-hula-hula hoop (Spinnin' like a...)
Hula-hula-hula-hula hoop (Hula-hula-hula)
Hula-hula-hula-hula hoop (Hula-hula-hula)

We can keep going in circles and circles but I'm telling you now
That nobody's, nobody's perfect so what's this about?

Maybe for a minute got me thinking I should buy you back
But when I get with it realized that I'm above them, above them

Miss me with the lies, better vibes, 'cause tonight
We gon' celebrate ya
I miss everyday ya
Miss me with the lies, better vibes, 'cause tonight
We gon' celebrate ya
I miss everyday ya
