Why you tryna say stuff like me
S-s-see your do your makeup just like me
Oh you've darkened your foundation
Girl please
See that you've been trying
Trying
Oh you tryna be my friend now
Let's see
Cuz you were talking shit bout me last week
Why don't you be yourself now
Yourself now
Try to be yourself now
For me

ABCDE copy me obrigado
Bring it all on me cuz I like the trouble
Baby Imma make you wipe ur tears
But competition ends
U can call me Pablo

Daddy makes you feel so bad
Momma don't care non about it
Don't make me repeat myself
Cuz I will cause you...

Feeling like a cult cuz she always follows
If u wanna be me u gotta put some
Time in it
Gotta be inspiring
But babe you only so so tiring
And u like
Taking my words
Taking my clothes
Feeling like me, being like me
It's your motto

Daddy makes you feel so bad
Momma don't care non about it
Don't make me repeat myself
Cuz I will cause you
