

Lovely Christmas

Sara James

Mmm, ayehh

So true lovely Christmas tree
Snowflakes dancing just for me
Everything smells like gingerbread
Can you hear Santa slay

Joy, joy, joy
Farm of the air
Love, love, love
Love is in the air
Christmas, oh, Christmas
Jing, jing, jing, jing, jingle bells
Love, love, love
Love is in the air
Christmas, it's Christmas

Days are so short, and it's cold outside
Sparkling windows, dressed tonight
Winter night, shines so bright
All we need is, is a cozy hug

Joy, joy, joy
Farm of the air
Love, love, love
Love is in the air
Christmas, oh, Christmas
Jing, jing, jing, jing, jingle bells
Love, love, love
Love is in the air
Christmas, it's Christmas

All the kids are waiting for
Guy robbed it on the hot
He makes this world a better place
Even for a just one night
Even for a just one night

Joy, joy, joy
Farm of the air
Love, love, love
Love is in the air
Christmas, ooh, Christmas
Jing, jing, jing, jing, jingle bells
Love, love, love
Love is in the air
Christmas, ooh Christmas

Joy, joy, joy
Farm of the air
Love, love, love
Love is in the air
Christmas, it's Christmas
