

TINY HEART

Sara James

Remember what you said
Things happen for a reason
I'm drowning in my bed
It's so fucked up, so long, what's the season?
I heard you loud and clear
But I don't wanna listen
Just wanna disappear 'cause this house now feels like a prison

Cameraman flash, flash, flash in my face
Eyes full of water don't know what to say
I was never ready, I was unprepared
(Just say it)

Don't look back, if you do you will lose it, lose it
Hold that smile, I don't care how you do it, do it
One more time, oh I try but this tiny heart is bleeding now
This tiny heart is bleeding now
Don't look back, if you do you might hate it, hate it
Hold that breath, for how long you can take it, take it
One more time, oh I try but this tiny heart is bleeding now
This tiny heart is bleeding now

Remember what you said
You love me for a reason
I just wanna understand why
You could leave so easy
Didn't even make a sound
Six feet, baby, I'm underground
Yeah, you got me thinking now
Let me drown in amnesia

Cameraman flash, flash, flash in my face
Eyes full of water don't know what to say
I was never ready, I was unprepared
(Just say it)

Don't look back, if you do you will lose it, lose it
Hold that smile, I don't care how you do it, do it
One more time, oh I try but this tiny heart is bleeding now
This tiny heart is bleeding now
Don't look back, if you do you might hate it, hate it
Hold that breath, for how long you can take it, take it
One more time, oh I try but this tiny heart is bleeding now
This tiny heart is bleeding now

Ooh, mm, oh
Da-da-da-da-da-da-da, oh

Don't look back, if you do you will lose it, lose it
Hold that smile, I don't care how you do it, do it
One more time, oh I try but this tiny heart is bleeding now
This tiny heart is bleeding now
