

Rollercoaster

Sara Ramirez

Rollercoaster, carousel
Where highs are Heaven
But the lows, oh they can be hell
You can grab the ring,
You can ring that bell
When the ride is over
You can never tell

People tell you this one thing
Will make your life complete
So you, you give it everything you've got
And you wind up on the street
Then one day you wake up
And they tell you "you're a queen"
But then you find that someone else
Is pulling all the strings

Rollercoaster, carousel
Where the highs are Heaven
But the lows oh they can be hell
You can grab the ring,
You can ring that bell
When the ride is over
You can never tell

The one you love, they love you
Oh yeah, until the end of time
But lose your edge or lose your cool
They will drop you like a dime
Everyone is crowding 'round
When fortune is your friend
But when your luck is running out
You're all alone again

Rollercoaster, carousel
Where the highs are Heaven
But the lows oh they can be hell
You can grab the ring,
You can ring that bell
When the ride is over
You can never tell

Well maybe I'm just cynical
And all these words are lies
Experience keeps telling me
That the cautious one is wise
The caution makes you hesitate
And hesitate you're lost
So take your opportunities
And never count the cost

Rollercoaster, carousel
Where the highs are Heaven
But the lows oh they can be hell
You can grab the ring,
You can ring that bell
When the ride is over, over, over

You can never, ever tell

Rollercoaster, carousel

Rollercoaster yeah, yeah, yeah, carousel
