

Aftermath Of You

Sarah Barrios

Maybe this suburban town
Wasn't big enough for the two of us
Not surprised it set on fire

Our backs against the walls
As they fall down on the two of us
Such a classic you and I

It's no ones fault
At the end of the day
But I just wanna say

Hey!
Gonna miss all the games we played
And the way that you screamed my name
It's sad but true
That we let this thing

Die!
Gonna hurt when I sleep tonight
I'll See you on the other side
When I get through
The aftermath of you

This started picture perfect happily ever after
But did you really think this was gonna work out

Our story ends with heartbreak
Twisted lies and no good riddance
Maybe we're both the bad guy now

It's no ones fault
At the end of the day
But I just wanna say

Hey!
Gonna miss all the games we played
And the way that you screamed my name
It's sad but true
That we let this thing

Die!
Gonna hurt when I sleep tonight
I'll see you on the other side
When I get through
The aftermath of you

...
