

## I Never Knew

Sarah Blasko

It's not enough, it's not enough for both of us  
This love I feel won't reach into your heart  
Though it hurts inside to find my pride so altered  
I let you go to find your way alone

I never knew it would hurt like this  
To let someone go against my wishes  
All I can do is hope and pray  
That you'll find your way

It's not enough, it's not enough for now  
When I open up it leaves me in the cold  
Though it hurts inside I'll summon all my pride  
To let you go let you be alone

I never knew it would hurt like this  
To let someone go against my wishes  
All I can do is hope and pray  
That you'll find your way

I never knew it would hurt like this  
To let someone go against my wishes  
All I can do is hope and pray  
That you'll find your way

I never knew it would hurt like this  
To let someone go against my wishes  
All I can do is hope and pray  
That you'll find your way
