

# I Wanna Be Your Man

Sarah Blasko

[Verse 1]

What can you see, can you see when you look into my eyes  
How much I wanna be, wanna be someone you can recognise  
Say it's easy come, easy go, living in a man's world  
But it's hard to be, hard to be a woman in your circle

[Chorus]

I wanna be your man  
(Maybe you will not understand)  
I wanna be your man  
(I know it's hard to comprehend)  
I wanna be your

[Verse 2]

Well, I can see, I can see when I look into those eyes  
All your family history, I'm like a mirror to your heart  
Say it's easy come, easy go, you're living in a man's world

It's no place to be, place to be a woman who is well versed

[Chorus]

I wanna be your man  
(Maybe you will not understand)  
I wanna be your man  
(I know it's hard to comprehend)  
I wanna be your

[Outro]

I wanna be your  
I wanna be your  
(Maybe you will not understand)  
I wanna be your  
(I know it's hard to comprehend)  
I wanna be your  
(Maybe you will not understand)  
I wanna be your  
(I know it's hard to comprehend)
