

# Read My Mind

Sarah Blasko

Of all the slings and arrows  
That life will surely throw at us  
It's never short of miracles  
Oh, miracle of mine  
I'm walking with my head held high  
I see the world anew  
How could I have imagined  
I'd give life to you

I sometimes think you read my mind  
And it feels like a miracle  
Come on, won't you read my mind  
Read my mind, oh

Cause there's nothing like hearing your half-speak  
Holding your hand and keeping your head up  
This is only a moment in time  
But I'll be forever living in your heartbeat

I don't know where the time goes  
But it is moving much too fast  
It's easy to forget that you were not always there  
If I can tell you one thing that I know  
It's that the time is short  
To make the most of everything  
See beauty in it all

I sometimes think you read my mind  
And it feels like a miracle  
Come on, won't you read my mind

Read my mind, oh

Cause there's nothing like hearing your half-speak  
Holding your hand and keeping your head up  
This is only a moment in time  
But I'll be forever living in your heartbeat

Cause there's nothing like hearing your half-speak  
Holding your hand and keeping your head up  
This is only a moment in time  
But I'll be forever living in your heartbeat

And the more I stop and think about it  
I find the more that I am disbelieving, disbelieving

Oh, it's so crazy when you think about it  
Oh, I don't know what I would do without you  
How I fear I could not live without you  
Live without you now

Cause there's nothing like hearing your half-speak  
Holding your hand and keeping your head up  
Cause there's nothing like hearing your half-speak  
Holding your hand and keeping your head up
