

Anything But Lonely

Sarah Brightman

Anything but lonely
Anything but empty rooms
There's so much in life to share
What's the sense when no one else is there?

Anything but lonely
Anything but only me
Quiet years in too much space
That's the thing that's hard to face and

You have a right to go
But you should also know
That I won't be alone for long
Long days with nothing said
Are not what lie ahead
I'm sorry, but I'm not that strong

Anything but lonely
Anything but passing time
Lonely's what I'll never be
While there's still some life in me and

I'm still young, don't forget
It isn't over yet
So many hearts for me to thrill
If you're not here to say
How good I look each day
I'll have to find someone who will

Anything but lonely
Anything but empty rooms
There's so much in life to share
What's the sense when no one else is there?
What's the sense when no one else is there?
