

# No One Like You

Sarah Brightman

And reach out will it not be soft and kind  
At rest from life  
from patience and from pain  
At rest from bliss  
we know not when we find  
How can I have enough of life and love

In your eyes are my secrets  
that I've never shown you  
In my heart I feel  
I've always known you  
In your arms there's a comfort  
that I never knew  
You're what I've been waiting for  
there's no one like you

Sure as the sunrise  
pure as a prayer  
You fashioned hope  
right out of thin air  
Every dream I abandoned  
seems it could come true  
I believe in miracles  
there's no one like you

Innocent as a newborn  
in a world so frightening  
It's as if my world's  
been struck by lightning  
Every dream I abandoned,  
seems it could come true  
I believe in miracles,  
there's no one like you
