

Somewhere

Sarah Brightman

There's a place for us
Somewhere a place for us
Peace and quiet and open air
Wait for us somewhere

There's a time for us
Some day a time for us
And together we've time to spare
Time to love, time to care

Some day, somewhere
We'll find a new way of living
We'll find a way of forgiving
Somewhere

There's a place for us
A time and a place for us
Hold my hand and we're halfway there
Held my hand and I'll lead you there
Somehow, something, somewhere
