

Justify

Sarah Close

Same fight same words
Coming from your mouth
Same tears same hurt
But I feel different now

Cause I don't trust you
Like I should do
Like I used to
And I'm tired of excuses
Of why you let me down
You always let me down

People make mistakes sometimes
But sorry doesn't mean
You really apologise
If you do it again and again
And I love you and I want to
Believe you when you say
That you're changing
When you're staying the same

It's getting hard to justify this time

Flowers and sad eyes
Always buy you one more chance
A promise of good times
Always keep me coming back

But I don't trust you
Like I should do
Like I used to
Forgiveness is my weakness
And you made the most of that
Yeah you made the most

People make mistakes sometimes
But sorry doesn't mean
You really apologise
If you do it again and again
And I love you and I want to
Believe you when you say
That you're changing
When you're staying the same

It's getting hard to justify this time
It's getting hard to justify this time

And it makes me sick
When I think of it
How I let you in time after time
I defended you
When everybody knew
I was falling for lie after lie
Tryna justify

That people make mistakes sometimes
But sorry doesn't mean

You really apologise
If you do it again and again
And I love you and I want to
Believe you when you say
That you're changing
When you're staying the same

It's getting hard to justify this time
It's hard to justify this time
