

# Beautiful View

Sarah Connor

I'm so electrified  
Transcending space and time  
Oh oh oh  
Future so undefined  
Leave the routine behind

Everytime everytime blow my mind  
When I see you I don't know what to say  
You turn night into day  
It's a magical circle  
You're takin' my breath away

Beautiful beautiful view  
Everytime I look at you  
It's like a spirit callin'  
Beautiful beautiful you  
Baby I'm so into you  
It fells like I'm fallin'

Target identified  
I'm blinded by your light  
You keep me up all night  
But it's no sacrifice

Everytime everytime blow my mind  
When I see you I don't know what to say  
You turn night into day  
It's a magical circle  
You're takin' my breath away

Beautiful beautiful view  
Everytime I look at you  
It's like a spirit callin'  
Beautiful beautiful you  
Baby I'm so into you  
It fells like I'm fallin'

You blow my mind  
You're so beautiful beautiful beautiful...  
You blow my mind

Beautiful beautiful view  
Everytime I look at you  
It's like a spirit callin'  
Beautiful beautiful you  
Baby I'm so into you  
It fells like I'm fallin'

Beautiful beautiful view  
God has made a miracle  
The day you were born and  
Beautiful beautiful you  
I will never let you go  
You're like the perfect song yeah

It fells like I'm fallin' yeah
