## Magic Ride (Whatever U Wish 4)

Sarah Connor

Come on let me take you on a magic ride
Boy I want to show you better ways to fly
Whatever you wish for
I'll do it for you

All the other girls are a waste of time Whatever they may have ain't as good as mine Whatever you wish for I'll do it for you

I can light a fuse in you

Make you finally see all the things you need

If you want to know the truth then you must believe

It's hidden here in me

When you finally cross the line

I know that you'll be mine

Boy you make our dreams come true

You know you only have to let go

That I can begin to show

What I've got for you

Come on

I can see it in your eyes
you've got the spark
I need to set my spirit free
And we don't even have to try time is on our side
And we can be complete
When you finally cross the line
I know that you'll be mine
Boy you make our dreams come true
You know you only have to let go
That I can begin to show
What I've got for you

Come on let me take you on a magic ride
Boy I want to show you better ways to fly
Whatever you wish for
I'll do it for you

All the other girls are a waste of time Whatever they may have ain't as good as mine Whatever you wish for I'll do it for you
