I need somebody
Who's consistent with me
Someone already there
When I need company
'Cause when I'm feelin' low
I don't wanna have to go out lookin'
For a part time kinda love

And when the dreams and rainbows start to disappear I don't want somebody up and runnin' out of here And when you stop and start
Baby it's a just too hard upon my heart
That part time kind of love

I can't take it darling
Livin' here and waitin' see
I want somebody who's committed now to me
Somewhere, somewhere
Someday, someday you've got to take a chance
If you like the music baby
Get up and dance

If we go together daring to dream

I know we're gonna find our share of peaches and cream
And when the juices flow

I don't want to know no no excuses

Just want your full time love for me

I can't take it darling

Livin' here and waitin' see

I want somebody who's committed now to me

Just me, yeah, yeah

Somewhere, somewhere

Someday, someday you've got to take a chance

If you like the music baby

Get up and dance

If we go together daring to dream

I know we're gonna find our share of peaches and cream

And when the juices flow

I don't want to know no no excuses

Just want your full time love for me

Just want your full time love for me Your full time love for me
