

# Sexy As Hell

Sarah Connor

You're sexy as hell  
gimme your love  
gimme your love  
while recording  
gimme your love  
gimme your love  
I cant hold it back  
you're sexy as hell

I wanna sing about all the things  
that we think about but is not happenin  
I wanna take u to another place  
wanna dance all night  
wanna feel the bass  
pumpin in my body now  
somethin that will make me loud  
dont stop till I scream it out  
I cant hold it back

I m trippin because  
I m cravin your love  
u got me to sing  
I want it want it  
I m trippin because  
I m cravin your love  
u got me to sing  
I want it want it

you're sexy as hell  
gimme your love  
gimme your love  
while recording  
gimme your love  
gimme your love  
I cant hold it back  
you're sexy as hell

u need to make it stop  
I m not allowed to touch  
I want it way too much  
your body and your mind  
u do it everytime  
u make me cross the line

you're sexy as hell  
gimme your love  
gimme your love  
while recording  
gimme your love  
gimme your love  
I cant hold it back  
you're sexy as hell
