Sexy As Hell

Sarah Connor

You're sexy as hell gimme your love gimme your love while recording gimme your love gimme your love I cant hold it back you`re sexy as hell I wanna sing about all the things that we think about but is not happenin I wanna take u to another place wanna dance all night wanna feel the bass pumpin in my body now somethin that will make me loud dont stop till I scream it out I cant hold it back I m trippin because I m cravin your love u got me to sing I want it want it I m trippin because I m cravin your love u got me to sing I want it want it you`re sexy as hell gimme your love gimme your love while recording gimme your love gimme your love I cant hold it back you`re sexy as hell u need to make it stop I m not allowed to touch I want it way too much your body and your mind u do it everytime u make me cross the line you`re sexy as hell gimme your love gimme your love while recording gimme your love gimme your love I cant hold it back you`re sexy as hell
