Solas

Sarah Cothran

Rocks on the bones of my shoulders
He's holding me down
He's holding me under
Lights off, we're dead in the water
Dark of the night, I have no one to turn to

When I'm wise I'll be righteous
I am young, I am light
Soul to solas
Soul to soul
Soul to solas
Soul to soul

Sink to swim
I've carried this light
But you won't give
So I won't fight
I am wise
I am righteous
I am young
I am light

Soul to solas
Soul to soul
Soul to solas
Soul to soul
Soul to solas
Soul to solas

I wanna let it go
I wanna let it go
I wanna let it go
I wanna go

I'm gonna let it go
I'm gonna let it go
I'm gonna let it go
So let it go

Soul to solas
Soul to solas
Soul to solas

Soul to solas
Soul to solas
Soul to solas

I am wise
I am older
I am young
I am light

I am solas
