

# Shine

Sarah Darling

Even on my worst day  
I hit the brake and  
Throw it in reverse day  
When what I need in the first place  
In the worst way is a ray of light  
You're a candle on my birthday

Like a diamond, like gold  
Like we're never gonna grow old  
Like the sun coming up on the horizon  
Like glitter sparkling on my eyelids  
Like the moon on an August night  
Like a Saturday Broadway neon light  
Burning bright  
That's what I feel like  
You make me shine  
You make me shine

Even when I leave you  
I still feel you  
So close I can breathe you  
I can feel your kiss hanging my lips  
That's the way it is when you're with  
Somebody who treats you

Like a diamond, like gold  
Like we're never grow old  
Like the sun coming up on the horizon  
Like the glitter sparking on my eyelids  
Like the moon on an August night  
Like a Saturday Broadway neon lights  
Burning bright  
That's what I feel like  
You make me shine  
You make me shine

Oh oh oh  
You make me feel  
You make me feel

Like a diamond, like gold  
Like we're never grow old  
Like the sun coming up on the horizon  
Like the glitter sparking on my eyelids  
Like the moon on an August night  
Like a Saturday Broadway neon lights  
Burning bright  
That's what I feel like  
You make me shine  
You make me shine  
You make me shine  
You make me shine

You make me  
You make me  
You make me  
You make me shine
