Sweetest Mistake

Sarah Geronimo

```
I woke this morning
With my head up the clouds
I saw the rain falling
As I thought about the time
When you were mine

I thought I saw you smiling
Just a few yards away
Called out your name but
You turned away so fast I
Couldn't smile back

You are my sweetest mistake
And I'll never regret that I
Gave you my world
You are my sweetest mistake
And I'll never regret that I
Gave you my world
Even if I'm not your girl
Anymore
```
