

## Around This Corner

Sarah Harmer

I'll be coming around this corner  
I know one day we'll meet  
I'll look in your eyes  
And i'll look up the street  
And i'll cover my heart  
So you can't see it beat  
And i'll struggle  
'Cause how can I say  
When I don't know  
If i'll feel loving  
Or if i'll feel low  
I may wind up and get into trouble

Knowing that you've been bad  
Is one of the worst feelings I ever had  
Knowing that you been bad  
Did it mean much to you  
I thought I knew you  
Now I wish I had

I'll be coming round this corner  
One day real slow  
And i'll see myself reflected  
In someone I used to know  
And I may look away  
And keep going home  
And try to forget it before  
I get to the door  
But how can I say  
When I don't know  
If i'll feel loving  
Or if i'll feel low  
I may wind up  
And cry a big puddle

Knowing that you've been bad  
Is one of the worst feelings I ever had  
Knowing that you been bad  
Did it mean much to you  
I thought I knew you  
Now I wish I had

How can you forgive that fast  
Why do they call it the past  
When nothing has passed
