

Shift

Sarah Jaffe

My world, my world keeps shifting
My axis keeps tilting
I miss my sister
Her words are wise
I'll just keep moving til it realigns

I keep moving
I keep moving
I can't stop
I keep moving
I keep moving
I can't stop
I keep moving

My world, my world keeps shifting
My old ways are lifting
I couldn't see it
Now I realize
I just keep moving til it realigns

I keep moving
I keep moving
I can't stop
I keep moving
I keep moving
I can't stop
I keep moving
I keep moving
I can't stop
I keep moving
I keep moving
I can't stop
