

# Shut It Down

Sarah Jaffe

Say baby I had to mention  
That if you were a star you'd be the one I'm searching for  
All the girls they got attention  
But I just always feel like they're in need of something you got  
It's obvious you're pretty  
Heard that you're a student working weekends in the city  
Trying to take you out girl, hope you're not too busy  
And if there's nothing wrong, got this little song  
For you to get ready to  
Put those fucking heels on and work it girl  
Let that mirror show you what you're doing  
Put that fucking dress on and work it kind of vicious  
Like somebody's taking pictures  
Shut it down down down  
You would shut it down down down  
You be the baddest girl around round round  
And they notice they notice  
You would shut it down down down  
You would shut it down down down  
You be the baddest girl around round round  
And they notice they notice  
You would shut it  
What you want  
What you need  
I can be your everything  
And them others  
Just wanna hit it but if they had it  
Wouldn't know what to do with it  
And together  
We shut it down down down  
They know we shut it down down down  
Your the baddest girl around, round round  
They notice, they notice  
We shut it down down down  
They know we shut it down down down  
You'll be the baddest girl around, round round  
They notice, they notice  
We shut it down down down  
They know we shut it down down down  
You'll be the baddest girl around, round round  
They notice, they notice  
And together  
You looking good girl  
Go go go get em girl,  
Go go go hit em girl  
Go go go go go  
You looking good girl  
Go go go get em girl,  
Go go go hit em girl  
Go go go go go  
You shut it down  
You shut it down
