

## Mind

Sarah Klang

When my baby and I get together  
Oh, we don't have a lot of time  
So I love him too hard cause I get stressed out  
You know, we don't have a lot of time

People say it must be so hard  
To be apart from the one you love  
But they don't know what it's like for me  
Nobody knows what it's like

He's on my mind  
He's on my mind  
He's on my mind  
All of the time  
All of the time

When my baby and I get together  
Oh, I love him like it's the last time  
And I say all the things you're not supposed to say  
But I can't help myself  
I Just want him to know

People say it must be so hard  
To be apart from the one you love  
But they don't know what it's like for me  
Nobody knows what it's like

He's on my mind  
He's on my mind  
He's on my mind  
All of the time  
All of the time

Come on, babe  
Come on, babe  
Come on, babe  
Come on, babe
