

Angel

Sarah McLachlan

Dmi
Spend all your time waiting
F
for that second chance
C F G
for a break that would make it okay
Dmi
there's always one reason
F
to feel not good enough
C F G
and it's hard at the end of the day
Dmi
I need some distraction
F
oh beautiful release
C F G
memory seeps from my veins
Dmi
let me be empty
F
and weightless and maybe
C F G
I'll find some peace tonight

C
in the arms of an angel
Em
fly away from here
F
from this dark cold hotel room
C G
and the endlessness that you fear
C
you are pulled from the wreckage

your silent reverie
F
you're in the arms of the angel
C G C
may you find some comfort there

Dmi
so tired of the straight line
F
and everywhere you turn
C F G
there's vultures and thieves at your back
Dmi
and the storm keeps on twisting
F
you keep on building the lie
C F G
that you make up for all that you lack
Dmi
it don't make no difference
F

escaping one last time

C **F** **G** **Dmi**
it's easier to believe in this sweet madness oh
F **C** **F** **G**
this glorious sadness that brings me to my knees

C
in the arms of an angel

away from here

F
from this dark cold hotel room
C **G**
and the endlessness that you fear

C
you are pulled from the wreckage

Emi
of your silent reverie

F
you're in the arms of the angel

C **G** **C**
may you find some comfort there

C
you're in the arms of the angel

G **C**
may you find some comfort here
