

## Black & White

Sarah McLachlan

unravel me  
a distant cord  
on the outside is forgotten  
a constant need

to get along  
and the animal awakens  
and all I feel is black and white

the road is long  
the memory slides  
to the whole of my undoing  
put aside  
I put away  
I push it back to get through each day  
and all I feel is black and white  
and I'm wound up small and tight  
and I don't know who I am

everybody loves you when you're easy  
everybody hates when you're a bore  
everyone is waiting for your entrance so  
don't disappoint them

unravel me  
untie this chord  
the very centre of our union  
is caving in  
I can't endure  
I am the archive of our failure

and all I feel is black and white  
and I'm wound up small and tight  
and I don't know who I am

everybody loves you when you're easy  
everybody hates when you're a bore  
everyone is waiting for your entrance so  
don't disappoint them

everybody loves you when you're easy so  
don't disappoint them

don't disappoint them ...
