

# Drive

Sarah Reeves

Escalated way too fast  
Forgot why we were arguing  
Thought that we were past all that  
But I guess we're not  
It's like we forgot

That I'm passionate, you're sensitive, emotional zero to ten  
Let's take a breath, let's take a minute

I'm just gonna

Drive before I say something you're not gonna like  
Nobody but my playlist understands me  
Taking out my aggression on the highway  
Sometimes I just need to take a

Drive to let my crazy out  
To nowhere in particular  
Freezing with the windows down  
Gotta cool me off, gotta to clear my thoughts

Cause I'm passionate, you're sensitive, emotional zero to ten  
Let's take a breath, let's take a minute

I'm just gonna

Drive before I say something you're not gonna like  
Nobody but my playlist understands me  
Taking out my aggression on the highway  
Sometimes I just need to take a drive

Love you I love you you know that I do  
Don't wanna don't wanna hurt then hurt you  
Love you I love you you know that I do  
Don't wanna don't wanna hurt then hurt you  
Love you I love you you know that I do  
Don't wanna don't wanna hurt then hurt you

I do, I do

Turn the music up so loud  
That I drown it out, till I settle down

I'm just gonna

Drive before I say something you're not gonna like  
Nobody but my playlist understands me  
Taking out my aggression on the highway  
Sometimes I just need to take a drive

Love you I love you you know that I do  
Don't wanna don't wanna hurt then hurt you  
Love you I love you you know that I do  
Don't wanna don't wanna hurt then hurt you

I do, I do
