

Plans

Sarah Reeves

Hey you
With the teardrops falling down
Don't fear
You've got angels all around
There's hope
When your faith is running out
Hey you
I won't let you give up now

'Cause I know the plans I have for you
I'm gonna make those grey skies blue
I know your heart's breaking
And I know your world's shaking
But I know the plans I have for you

Look up, there's a new day up ahead
Hold tight, to the promises I've kept
There's more, just when you think it's the end
Reach out, for a blessing once again

'Cause I know the plans I have for you
I'm gonna make those grey skies blue
I know your heart's breaking
And I know your world's shaking
But I know the plans I have for you

For you
For you
A future and hope
I'm not gonna harm you
I'll never let go
I'm always beside you

Yes I know the plans I have for you
I know the plans I have for you
Oh you just don't see it yet
Ooh
