

## Always on My Mind

Sarah Vaughan

Always on my mind  
While you're far away  
You're always on my mind  
Every lonely day  
I long to hold you near  
I wish that you were here  
Instead of being always on my mind

What am I to do  
All my life I longed to give my love to you  
I'm a hopeless case  
There's no one else for me  
Forever you will be  
The only one who's always on my mind

Trying all I know to make the hands of time go faster than they  
've ever gone before  
Must they go so slow, till you return to me you will always be

Always on my mind  
And I know that someday  
When the faiths are kind  
I will hold you in my arms forevermore  
Till then you know for sure  
There's no one else  
You're always on my mind

Always on my mind
