

Can't Get Out of This Mood

Sarah Vaughan

All day long, before my eyes come little visions of you
They shouldn't, they mustn't, but they do, they do
And I can't get out of this mood, can't get over this feeling
Can't get out of this mood

Last night your lips were too appealing
The thrill should have been all gone by today in the usual way
But it's only your arms I'm out of

Can't get out of this dream
What a fool I was to dream of you
It wasn't part of my scheme to sigh and tell you that I love yo
u
But I'm sayin' it, I'm playin' it dumb

Can't get out of this mood, heartbreak, here I come
The thrill should have been all gone by today in the usual way
But it's only your arms I'm out of

Can't get out of this dream
What a fool I was to dream of you
It wasn't part of my scheme to sigh and tell you that I love yo
u
But I'm sayin' it, I'm playin' it dumb

Can't get out of this mood, heartbreak, here I come
This mood, can't get out of this mood, can't get out of this mo
