Sarah Vaughan

Copacabana lovely place in Brazil  
Where every pair of eyes would give you a frail  
Ask any good Romancer  
He'll give you just one answer

Copacabana

Blue skies above the bitch  
Are blue and blue  
Romance and moonlight will be searching for you  
You're sure to be a lover  
The moment you discover

Copacabana

Blue skies above the bitch  
Are blue and blue  
Romance and moonlight will be searching for you  
You're sure to be a lover  
The moment you discover
