

Darn That Dream

Sarah Vaughan

Darn that dream I dream each night
You say you love me and hold me tight
But when I awake and you're out of sight
Oh, darn that dream

Darn your lips and darn your eyes
They lift me high above the moonlit sky
Then I tumble out of paradise
Oh, darn that dream

Darn that one-track mind of mine
I can't understand that you don't care
Just to change the mood I'm in
I'd welcome a nice old nightmare

Darn that dream and bless it too
Without that dream I never have you
But it haunts me and it won't come true
Oh, darn that dream
