Dreamsville

Sarah Vaughan

I'm in Dreamsville, holding you A dreamy view, just we two alone If love in Dreamsville, time is new We're here to love and we do

We can see the rest of the world Below us from our pink cloud

There's no boundary to this magic land As we go exploring hand in hand In dreamy Dreamsville

Far away and here we love Here we stay

We can see the rest of the world Below us from our pink cloud

There's no boundary to this magic land As we go exploring hand in hand In dreamy Dreamsville Far away and here we love Here we stay

Here in Dreamsville we'll stay
