Everything But You

Sarah Vaughan

You left me a horse from Texas A house with installments due A letter with lots of Xs Everything but you

You left me some beans from Boston A bicycle built for two A memory to get lost in Everything but you

Each day was so gay and so daring I loved every breathtaking minute For how could I know I was sharing A kiss without a future in it

You left me a dream to room with A coffee pot from Peru A knife and fork to spoon with Everything but you

You left me a horse from Texas A house with installments due A letter with lots of Xs Everything but you

You left me some beans from Boston A bicycle built for two A memory to get lost in Everything but you

Each day was so gay and so daring I loved every breathtaking minute For how could I know I was sharing A kiss without a future in it

You left me a dream to room with A coffee pot from Peru
A knife and fork to spoon with
Everything but you

Everything but you
You left me everything
Everything but you
