

Full Moon and Empty Arms

Sarah Vaughan

Full moon and empty arms
The moon is there for us to share, but where are you?
A night like this could weave a memory
And every kiss could start a dream for two

Full moon and empty arms
Tonight I'll use the magic moon to wish upon
And next full moon, if my one wish comes true
My empty arms will be filled with you

Full moon and empty arms
Tonight I'll use the magic moon to wish upon
And next full moon, if my one wish comes true
My empty arms will be filled with you
