

# Gone with the Wind

Sarah Vaughan

Gone with the wind  
Just like a leaf that has flown away  
Gone with the wind  
My romance has blown away  
Yesterday's kisses are still on my lips,  
I've had a lifetime of heaven at my fingertips.

But now all-all is gone.  
Gone is the rapture that fills my heart  
Gone with the wind  
My romance has flown apart

Just like a flame  
Love burned brightly, then became  
An empty smoke ring that has gone,  
Gone with the wind.

Gone, gone, gone with the wind  
Just like a leaf that has flown away  
Gone with the wind  
My romance has flown away  
Yesterday's kisses are still, still on my lips,  
I've had a lifetime of heaven at my fingertips.

But now all-all is gone.  
Gone is the rapture that fills my heart  
Gone with the wind  
My romance has flown apart

Just like a flame  
Love burned brightly, then became  
An empty smoke ring that has  
Gone with the wind.
