

I'll Know

Sarah Vaughan

I'll know when my love comes along
I'll know then and there
I'll know at the sight of his face
How I care, how I care, how I care
And I'll stop, and I'll stare

And I'll know long before we can speak
I'll know in my heart
I'll know and I won't ever ask
Am I right, am I wise, am I smart?
But I'll stop, and I'll stare
At that face in the throng
Yes, I'll know when my love comes along

There he'll stand before my eyes one day
I won't need a second glance his way

I'll know long before we can speak
I'll know in my heart
I'll know and I won't ever ask
Am I right, am I wise, am I smart?
But I'll stop, and I'll stare
At that face in the throng
Yes, I'll know when my love comes along
