

## Just In Time

Sarah Vaughan

Just in time  
I found you just in time  
Before you came my time  
Was running low

I was lost  
The losing dice were tossed  
My bridges all were crossed  
Nowhere to go

Now you're here  
And now I know just where I'm going  
No more doubt or fear  
I've found my way

For love came just in time  
You found me just in time  
And changed my lonely life  
That lovely day

Now you're here  
And now I know just where I'm going  
No more doubt or fear  
'Cause I've found my way

For love came just in time  
You found me just in time  
And changed my  
Lonely life that lovely  
Lonely life that lovely
