

Oh, You Crazy Moon

Sarah Vaughan

When they met, the way they smiled
I saw that I was through
Oh, oh, oh you crazy Moon
What did you do?

When they kissed, they tried to say
That it was just in fun
Oh, you crazy Moon
Look what you've done

Once you promised me, you know
That it would never end
You should be ashamed
To show your funny face, my friend

There they are, they fell in love
I guess you think you're smart
Oh, you crazy Moon
You broke my heart

Once you promised me, you know
That it would never end
You should be ashamed
To show your funny face, my friend

There they are, they fell in love
I guess you think you're smart
Oh, you crazy Moon
You broke my heart
Look what you've done
What you've done
