

Ooh, What'cha Doin' to Me

Sarah Vaughan

Ooh, what-cha doin' to me
You got me dreamy eyed and mystified as I can be
Ooh, what-cha doin' to me
You make me feel like I'm about to blow my T-O-P

Ooh, what a wonderful thrill
The day you popped the question and I answered, "Yes I will!"
I've been shooting roman candles off so everyone can see
Ooh-ooh-ooh-ooh, what-cha doin' to me

Ooh, what-cha doin' to me
My friends all seem to think I suffer from insanity
Ooh, what-cha doin' to me
I tell them all about you, then cop out with vanity

Ooh, baby tell me it's true
Then, when we reach the preacher, you will answer, "Yes I do!"
I've been turning handstands down the street so everyone can see
