

So Many Stars

Sarah Vaughan

The dawn is filled with dreams
So many dreams which one is mine
One must be right for me
Which dream of all the dreams
When there's a dream for every star
And there are oh so many stars
So many stars
The wind is filled with songs
So many songs, which one is mine
One must be right for me
Which song of all the songs
When there's a song for every star
And there are oh so many stars
So many stars
Along the countless days
The endless nights
That I have searched
So many eyes, so many hearts, so many smiles
Which one to choose
Which way to go
How can I tell, how will I know
Out of oh so many stars
So many stars
Yes the wind is filled with songs
So many songs, which one is mine
One must be right for me
Which song of all the songs
When there's a song for every star
And there are oh so many stars
So many stars
Along the countless days
The endless nights
That I have searched
So many eyes, so many hearts, so many smiles
Which one to choose
Which way to go
How can I tell, how will I know
Out of oh so many stars
So many stars, so many stars
Oh so many stars, so many stars
Oh there are so many stars, so many stars
Lots and lots of stars, so many stars
Oh so many, so many stars
Oh so many many, so many many stars so many stars
